

Child-care Facility Staff Training Programs

Below is a list of topics to choose from for an hour-long presentation/in-service training program for child-care staff.

SUGGESTED TOPICS:

- **General Speech & Language Development (from birth to 4 years old)**
- **Emergent Literacy – Stages & Strategies**
This topic can be expanded on with a full hour spent on different strategies including:
 - Making Book-Reading a Conversation
 - Building Vocabulary
 - Comprehension of Narratives
 - Alphabet & Print Knowledge
 - Phonological Awareness
 - Using the Language of Thinking & Learning
- **Inclusive Circle Time**
- **Speech Sound Strategies - How to Support Children with Difficult to Understand Speech**
- **Augmentative & Alternative Communication (AAC)**
- **Play is a Child's Work - How Play Supports the Development of Language & Cognition**

Our team of Speech-Language Pathologists, Communicative Disorders Assistants & Literacy Instructors can customize a training program, specifically for your child-care facility.

Please contact us with any special requests for education not listed above.

There are training opportunities for Parents too!
